GEN. POLK'S PAPERS.

Memphis Aug 14 1865

General -

The telegraphic company have no wires at present, but have contracted with the State of Mississippi to make a communication with two comparatively unimportant points below. I have therefore telegraphed to the Col Miss & requested a delay of the contract in order that the wire may be used at Fort Pillow, where the necessity of the service requires it most.

The company think that if this delay be granted that there will be enough wire for all the ^{military} purposes to which you desire it applied.

As soon as an answer is received I will write you on the subject.

Should this plan fail I will endeavor to induce the company to take down wire from less important stations.

I have telegraphed to you a
dispatch from Genl Hurler —
If you think best I will forward
the letter itself to the Adjt Genl —

The telegraphic dispatches
from above have ^{been} telegraphed
to you —

— After receiving the answer just now
this moment from Mississippi, the
~~company~~ ^{have been} concluded to take down
the wire between Tusculum and
Columbus and Mississippi —
which can only be useful in a mili-
tary point of view, in the event
of the enemy getting as far as
Corinth, this contingency being
nearly impossible I think that
the wire can better be disposed
with there, and have accordingly
agreed with ^{the company} to remove the wire
between these points and to transfer
them to Fort Pillow. If this should
not meet your approbation will
ask you on the subject

The Cordant Grant has been sent
to you. It is ~~not~~ ^{is} a wire —

The guns from Helena are here
— one of them was dropped into the
river — the others go up to day
with Capt Champness — You
had better send Capt Champness
down again to get the gun from
the river — In a few days the river
shall fall sufficiently for this
purpose —

Your son telegraphed to your

Dear Doctor

When I was in Montgomery, you kindly agreed to purchase for me about two gallons of whiskey, at a price corresponding with my limited means — I have no opportunity of procuring it here, without sinking at least one month's pay, and as I know that ~~you~~ ^{you} peruse or you have opportunities, of knowing where the best whiskey is to be got, at prices that officers of our rank might be able to give without incurring too serious an expenditure — If you will send me two gallons by express, to the ~~care of~~ ^{care of} Maj E. R. Cunningham & Co in Atlanta, I will pay you for it, on my next visit to Montgomery, besides incurring a lasting obligation to you —

I am waiting here for the new currency, after which, I will pass through my ~~Montgomery~~ ^{Montgomery} on my way to Mississippi where I hope to see you — There is no news here — The general impression is, that the Army of Tennessee will have little to do, and that the Virginia Army will carry on the Spring Campaign — Kind regards to Mrs. Potter, and believe me

Yours truly

W. B. B. B.

General

I have respectfully to state that
my Brigade is greatly in want of an Inspector
having been without one since last July when Major
Venable was transferred at that time from it then
at Charleston to Gen. Whiting's Department. I respect-
fully request that ¹ Lieut. Frederick R. Blake be promoted
to the rank of Captain and assigned as Inspector
to this Brigade. He has been in the Service during
the entire war. He served with the rank of Captain
in the 25th St. C. Regt. under my command and was
unmarked for his diligence and efficiency in all as-
pects. However on the reorganization of the Regiment
like many other first rate officers, he was left out.
He has nevertheless in some capacity continued in the
service ever since, and for nearly twelve months has
been my Aide-de-Camp, having been commissioned as
Lieutenant. I regard him as being equal in merit to
any officer in the service and as well entitled to
promotion. I therefore earnestly request that he may
receive the Commission of Captain for the purpose in-
dicated above.

Should he be thus promoted, I request that the
place of Aide-de-Camp be filled by a commission

as Lieut in Army I. Sargeant who has served about
eighteen months as a volunteer and a private in the
rank

Recd. June 9. 1873

Charleston May 15th / 62

Dear Mr. Randolph
Dear Sir,
I have the honor to introduce

Mr. Frederick Blake of South Carolina
- a young gentleman of the highest character
and social position (one of the Revolutionary
Rutledges by his mother's blood) who is very
desirous of active service in the army. He
was here for nearly a year Captain of a
Company, but by the "elective principle" which
we have more than once discussed, and about
which I think we agree, he has lost his
position. The company was raised and
equipped by himself moreover! He, aided, I
am informed, "the approbation of his senior
officer by his soldierly qualities and strict

reference to duty" - but his discipline
was not so acceptable to his men and at
the late election another was put in his place.
This I know is a common story, unfortunately,
so far as the throwing good officers over-
board is concerned - but the circumstance
of having raised a company at his
own proper cost and charges entitle
him to some special consideration at
the hands of the government. I would
very leave to suggest therefore that he
be appointed a "drill master" under the
recent Act, Congress providing for that
class of officers. I do not know (inasmuch
as he ^{wishes} ~~desires~~ "active service") whether he
would desire any appointment except such
as would take him into the field &c.
I have therefore made the above suggestion.
If you can do anything, however for him

will be as right, as I am sure
will be to family. His father, Mr
Samuel Lake is one of our most
esteemed and prominent planters, whose
worth and influence are strongly felt.
I see more marking your favorable
consideration of his application.

I am very respectfully,

Yr obt Servt

DEPARTMENT

I have known him for some
personally a while in relation to
one of the most distinguished young
men I have seen in the Army - not only
for intelligence, high moral character
than for conspicuous gallantry. Besides
he has a great aptitude for military
matters.

I refer to the younger Schis who, young
Blaker was, whom you know & believe.
He has been very successful and I have
never seen a braver person or a more dis-
missing man.

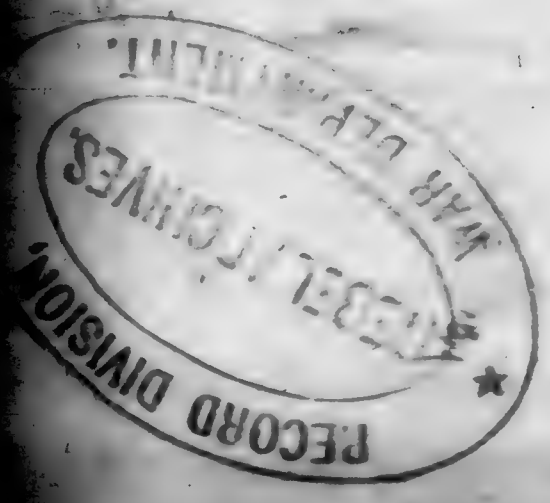

He has just received an appointment
as adj. ord. officer with the pay of a
lieut, but he much prefers service in
the front.

I have no hesitations and believe most
highly deserving young men can be
employed as a 1st Lieut or Capt in the
1st & 2nd General Dept, which he
is richly worthy by reason of his hardiness

be pronounced by a board of competent
judges to be valueless, can I receive pay-
ment in this case?

Sir.

I beg to call your attention
to the case of Wm J. Blakeman, Aid de Camp
to the President, and for pecuniary reasons
his appointment in the Adjutant's Inspector
General's Department with the rank of Major.
I am confident that in my opinion fill
the place suggested with more than ordinary
ability. He has had considerable experience
in that department, has a clear head and
safe and reliable judgment. He entered the
service in 1861. He was for a time in the office
of the Hon. John A. Andrew, and subsequently in the
office of the Hon. William A. Rorer, then served with Brig. Gen.
Hoyt S. Latham until the fall of Fort Mifflin.
Since that time he has served as Aid de Camp
with me. He was in the battles of Gettysburg,
Antietam, Fredericksburg, Chancellorsville and
the Wilderness. He has been in the office of the
Adjutant General since the fall of 1864.

from a gun boat on James River in May last.
He has in all engagements displayed a high
degree of gallantry and a most valuable addition
to the service he has manifested. His noble
courage and faithful service in the field
and his behavior as well as his ability in
the position, merit the promotion to Captain.
I believe it will be found that the
best of the service will be returned by
appointment.

Very Respectfully
Yours at St. Louis

To his Excellency

President Jefferson Davis,

Sir

I beg leave to remind you that in the letter in which I applied to be relieved from conscript duty, ~~that I wished to go on active duty in~~ the field, as my duties as conscript officer could be as well performed by a wounded or convalescent Officer, while I, being in the full vigor of health, ought to be in the field.

I thought that when I was relieved that it meant I should be actively employed, else I preferred to be doing something for the cause, however little — Instead, I have been loafing about Richmond for more than two months —

I ask employment — Please, Sir, save me from this mortifying idleness —

General,

It appears that I am the only General who is dropped, and under an old law, or order of 1861, without charging me with fault, but simply that I have no command.

In mentioning this to Gen Bragg, he said that he did not see why I was made an exception, and advised me to write to the Adj. Genl, and ask to have my case brought before the President, so that I might be placed on the same footing as those Generals who are liable to the action of the last law.

I ask to be reinstated and placed on duty if it can be done, and beg leave to suggest that I be made one of the twenty Generals especially provided for.

It is certain that if I had not been detached against my wish, from my splendid Brigade, which had been in front of Richmond in June 1862, I should now have been dead, or a Major General.

La Grange Ga. 22nd March

Genl J Cooper
Adj^{nt} of Ins^{tr} & Genl
Sir,

I have heard with
regret that it is in contemplation
to draft Brig. Genl. A. G. Blanchard
from the army.

When Genl. B. was in command of
the Dist. of North Louisiana, I re-
commended his removal from
that command believing that he
was not suited for it, not
withstanding his fitness for the
discharge of other duties.

Genl. B. has a military education
& much experience in the service.
In years & devotion to our cause he
is second to none.

At the outbreak of the Mexican
war he served as Regt. (volunteer)
commander in the Orleans to the
Rio Grande where he & the other
La. Regt. were discharged, then

leaving after service having expired, he
formed a company of volunteers
known as the Phoenix Company &
with it served during the war with
much distinction.

He was present at Antietam & was
one of the first to volunteer & he
served with his Regt. first
foreign war state. He is now an ad-
vanced in life, although still active
& vigorous, has a large & happy
family depending upon him
for support, having left his all
in Dr. Othman, & is ready & willing
to give his services to his country.

Cannot say anything he does for
him? It has been suggested that
he should be assigned to the Census
Bureau at Annapolis in this State
where you are conducting the pro-
cess. I think him qualified for
the position. I will write this letter to the Hon-
orable Secy of Genl. B. & think it
probable he will not to him to define
kind of his ~~services~~ ^{services} in the army
at this time. He has devoted himself

a good citizen & a patriotic & val-
ant soldier.

I beg your kind attention to
this case & hope you may bring
it to the attention of the President
who I know will do something
for this old soldier, if he comes
in the circumstances discharge
of his duty.

I am Very Respect-
fully

General

Your letter of 27th July, acknowledging receipt of my "plan of a rail" has only been just received.

I hasten to thank you for it and to thank the President for his kind sentiments as expressed by you.

Permit me to intrude on your kindness by asking of you the favor to say to the President that I am just as capable of command now, as I was when he did me the honor to appoint me a Brigadier General, and that if I made an error in asking to be relieved from Conscription duty to go on duty in the field I regret it, and would be glad to be assigned to any duty rather than to rust away in this inglorious idleness - I am sure that he will not neglect his old friend if his attention is called to the fact that I commenced with the war, and wish to go on with it and do something for the cause.

Trusting that I do not ask too much of you, I remain

At the same time I received from you a copy of the
Statement of the Committee of the Friends of the
African Race in America, dated the 1st of January 1841

glad to see that the cause of the African Race is
so well supported. In the year 1840 the sum of
£1000 was raised for the purpose of purchasing
from the Government of the United States all the
Slaves in the District of Columbia — I trust that this

competent to maintain, and that we shall
no longer be laid on the shelf but that our

A & I G O,

Dear Sir,

16
Honorable Major General
Richmond

In obedience to orders from your
office I have been ordered to proceed to
Humboldt and organized three battalions and did duty till
the 1st of September and was ordered to proceed to
at Florence S.C. where I was ordered to proceed. The reserves
to Humboldt and from there to Beaufort S.C. and on
the 1st of September was placed in command of the post at Honey-
Creek and Duncans Bluff, and remained until the 1st of
March 1865. Still in command, I received order No 9
of the 1st of March 1865, which I have executed. On the
1st of March 1865 I have commanded these reserves to me
as much hard duty as soldiers ever did. On the 31st
March 1865. Still in command, I received order No 9
dropping me on the 11th July 65, on which last day I
was fighting the enemy at Combahee river. I submit that it
could not be for want of a command that I was thus treated
nor can it be for cause of dissatisfaction from my commanding
officers, but must be from the fact being not properly
posted as to my position. That I am not liable to be
dropped. I ask that it be restored to my rank & command
Very Respectfully Your Obedt Servt

Richmond Va Oct 4/63

Honored Sir,

My application with references to you, for an appointment which was referred to the Secretary of War, has met with the enclosed answer, from the War Department. * * * *
Thouly it will be seen that I am still placed in the same embarrassing situation before alluded to, and can now hope for success but from your own immediate hands. I have two commissions in my possession, and yet they avail me nothing, because of the first I was deprived by a law of Congress relative to the position of Commissaries, and of the other, ~~hence~~ placed under such peculiar circumstances as not to be able to accept. I would claim a share of your patronage and ask for an appointment whatsoever, in either the Regular or Provisional army. I could be made useful as a Drill-Master or Recruiting, Mustering, Ordnance or Enrolling officer - Trusting in your well known kindness and benevolence to act immediately upon this, I remain Sir,

Very Respectfully
Y. C. V.

Richmond, Va. Sir,

In reply to your application for active duty in the field
you are respectfully informed that I have no power
to appoint an officer of the line, and some special need
for a Drill Master must be shown before I can make
such an appointment. I know of none such at present.

General,

My son James has been in service nearly a year as Corporal in the Private Company Whiting from Louisiana - He is now in Tennessee - His Captain desires to keep him, and I wish to get him - He is a good draughtsman, has great mathematical power, and would really be of more service to the Confederacy than as a Corporal - I ask that he be appointed a Cadet in the Army and ordered to join me -

And while begging, I will also state that my son Dawson is Captain, as Commissary of the 1 Regt La Vol - This is not a real military position, and he proposes to go with the line - Will you please appoint him a 2^d Lieutenant in the C. S. Army -

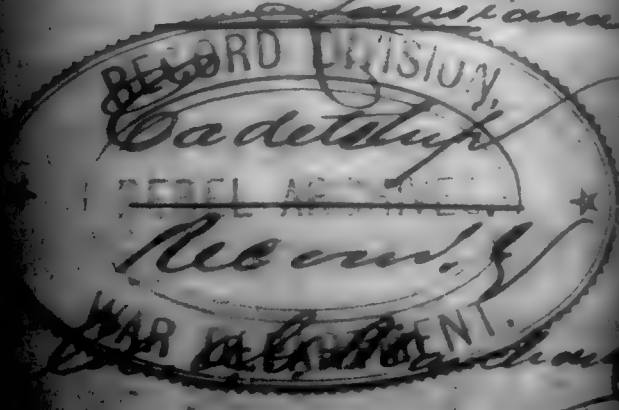

I know I have not earned a right to ask these favors by deeds in battle, but I have been kept here in a corner for ten months & more, and I serve by waiting -

Colonel L. B. Northrop
Commissary Genl Richmond

Sir,

I have the honor to submit the enclosed papers, together with a joined remark & explanatory of my accounts. The following have been forwarded: to wit—

July 1862. Return of Provisions to Troops. Abstract of Provisions to Troops. Abstract of Provisions to Laborers. Receipts of Subsistence Money. Transfers. There were no purchases this month and no expenses for horses or employees & hired. —
September 1862.

Return of Provisions rec'd and issued with Invoices and Receipts. The following corrections have been made in Abstract of Provisions to Troops and accounted for in like manner in Form 1. viz. Error in Rice Meal and Soap & Bacon. The issue in Sep was made in full, because the Circular of Dec 1861 was ignored by me, not having been furnished with a copy of same, I was guided in my issues as per old Army Regulations. The issues of Molasses are not as great as represented in Abstracts. Instead of 243 Gals there was only 197 Gals issued as per each Provision Return Form 1, at 2 lbs to 100 Rations. Error vs Form of 79th Provision Abstract of Provisions to Hospitals has been changed and entered on Form 1. In Sales to Officers for the month the entry of Rice is 35 pounds.

October 1862.

In return 1862 Abstract of Provisions to Troops the excess of 20 rations of Rice Soap & Molasses has been properly attached and charged on Form 1. enclosed. The issue of Molasses instead of 39-2 Gals, the issue is only 19 Gals and 3 qts. as per Form 1. The issues of Soap were made as before for the same reasons.

I wrote you yesterday by mail, but as there has been so much interruption of the Richmond Mail, I write again,

I am now ready to receive patients in the Way side Hospital except having suitable attendants. I can engage plenty of servants, but have been expecting you to send some from Staunton, shall I wait, or hire,

I would also request you to send me a Steward & apothecary. I would prefer those I had at Blacks & Whites. The Steward is George H. Weinger now at the S.C. Hospital Petersburg but I suppose can readily be found. The apothecary I had was then a patient, he is now at the General Hospital Petersburg awaiting the return of his leg.

retaining him, his name is J. H. Bacy 107, 14th St. Staunton

I also would like to have J. W. Orump 107 3rd Staunton

Cadeby (a detailed man) now at the S.C. Hospital. The requisition forwarded by mail I would like to have filled as soon as possible

I enclose a requisition for sundry articles needed at this place, Can I have any portion of the Hospital fund that was left at Birtville, transferred to this place. I paid over six hundred dollars to you & there was five thousand dollars in the hands of the Commissary in Petersburg. I need the fund very much in getting up here as there are many articles needed which I have not been able to procure in the stores. I have other articles necessary for running the house.

The Quartermaster & Commissary ^{at this post} report that they are not authorized to issue to the Hospital. Will you please procure instructions for them to issue to the Hospital & instruct me where to have.

The enclosed paper reached
this morning. Sent my was wounded about the
the army recaptured the Potomac, the ball grazing the
ball without destroying it, though depriving him of sight.
Thinking the eye might be restored, I caused him to
be treated with that design, finding all my efforts unavailing.
I was anxious to have the opinion of some surgeon of eminence
Richmond, and although aware that I had no authority
to send him there, I supposed the object would justify the
expense from a man knowing at the time that Sent my was a
perfectly reliable man. Hoping this explanation may prove
satisfactory I remain

I arrived at this place, a
paroled prisoner, on Thursday last, having left
Buckville (where I have been stationed as Surgeon in
charge of the Hospital) with a permit to visit Philadelphia.
Upon arriving at Fort Monroe I learned that
orders had been issued to prohibit all paroled
prisoners from going North.

I have now to request that I may receive a
special permit to visit Philadelphia with my
family. My home was in Nottingham County
in this State, last year this was destroyed by
a raiding party, I then removed my family to
a building connected with the Hospital of which I had
charge. The occupation of which by your forces
deprives me entirely of a home, I now stand
here with my family among strangers almost
entirely without means. Should I be allowed
to visit Philadelphia, I can procure means

which will enable me to carry out my
original intention of complying with the spirit
of the first paragraph of your Gen Order No 32,
which I can not do from this point for want
of funds.

Owing to the very bad quality of the whiskey furnished by the Surgeon
& not being able to procure brandy by requisition I purchased five
gallons of apple brandy as there were several patients at that time in
Hospital whose health were in such a condition that the whiskey furnished
them & good liquor was absolutely essential

now efficient in the job. He is standing as a gentleman

British Government, and E. Hamilton, many others.
I am told he is often selected for Court duty, and
during his period of service in 1862/1863 he has 30

do not doubt his qualifications a reward, as far as
our side & judge. He is in the 100th Regiment

I have looked over Maj Barton's Abstract, and

1861, as 2nd Lieut. of choice. Was quite healthy
in delicate health & could have been exempt at
any time, but waived all privilege & deter-
mined to go as long as he should last. He
has been in Hospital at Griffin Ga. all winter
with rheumatism developed by exposure during the
Mempheroe mch. He has usually improved,
but will never again be able to march. He is
distressed at the prospect of being forced out of
the service, & has been trying hard to get com-
missioned in the Ordnance Dept. (& assigned to Post),
which he would excel in. Failing this, & my
vacancy now occurring, I have suggested his
name — with his concurrence — as my successor.

I would not do so if I did not know him to be
abundantly qualified. In Education, mind, morals,
& social position, he is one of the first gentlemen
of the South. In the line he is a strict disciplina-
rian, & Walthall regards him deservedly among his
best officers. He is such a man as the Pres.
himself would adopt if known; — and by the way, the
latter never had a firmer friend, since he first dis-
cussed the tariff question on the stump in Miss., down
to the present day. I do not know a man, not a lawyer
by profession, who is better qualified. Very few so well. If

In chg. of Hospital

Dr. Sir

I have the honor to forward through you
an application for a leave of absence and in order
that you may not think me precipitate, will assign
my reasons. The nature of my duties as an Attd.
Officer require almost absolutely that I should be
with my command on or about the 1st of next
month. I understand that several days are required
to carry an application through - hence my promptness.
When the application returns, I will cheerfully delay
any length of time you may think my disease
demands. I hope however to have it checked up
satisfactorily by the time the application returns,
that I can with safety resort to the invigorating
influences of the country for ^{my} restoration to robust
strength. Hoping that my application may meet
with favor, I remain

Sir

I have the honor
herewith to tender my resignation as 1st Sgt
of the 11th Ala Regt. I wish it to be considered as
unconditional and immediate.

My reason for resigning is that I am Executor
of an Estate, which consists in the greater part of
negro property which I am compelled to hire out
the 1st January for the ensuing year. If I am
not at home to attend to this the Estate must
suffer an immense loss. I have previously
requested a sixty (60) days furlough to attend to
this matter and it ~~has~~ been granted, so I am
forced to urge my resignation at this time.

The case is of a great hardship. involving a
young officer of the best character. who has been
faithfully serving the Gov^t without the least
apprehension of such a change as this. It is to
him as his father a matter of the keenest
mortification. I can vouch for him as being in all
respects a worthy gentleman. of good morals and
Christian character. He is a son of John C.
Black Esq^r of this county. I please, if you
can, to make every provision for him in the
service. Can you see Gen. Hartman, to whom Mr.
Black (the father) is well known and if need

the case of this exemplary and good young officer -
this suddenly and without his place without his
fault and without any complaint against him - and

Letters Received
A & I G O,

Dear Sir

I have the honor to acknowledge the receipt of your letter of the 2nd inst. in relation to the application of the 1st Cavalry Regiment for the right of way for the proposed road from the depot to the barracks and the main to the 1st Cavalry barracks. I will have to consult the division but I am confident and experienced I respectfully request that permission to have the right of way be granted me.

Very respectfully,
John M. Johnston
Major 1st Cavalry

Mr. Beckler

Respectfully submitted to the
Secretary of War.

Capt. Blocker is an intelligent, gallant, efficient officer, of the regular service. It has been for some time his misfortune to occupy positions not commensurate with his ability as a soldier. His promotion, in accordance with Genl. Butler's recommendation, would place him where he could do much more efficient service.

Yours truly,
Saml. W. Melton
Adj. Genl.

My G. I. agree with Genl. Butler's recommendation that Butler be promoted.

would enable me to serve in the position which I would assign him, and his services, zeal and gallantry, entitle him to the increased pay of a Major.

U. S. Army
Brig. Genl.
I am sorry to lose him but if his personal advancement and the interests of the service require it, I will not object.

Mobile Ala.
Dec. 1864.
from file

Capt. C. A. C.
1st Division

Genl. Butler
Staff. Army of the South

I respectfully request that the transfer may be made, and that Capt. Blocker's rank be increased to Major. His services can be made available and profitable to my staff by taking charge of and drilling sharpshooters and mounted men.

Mobile Ala Dec 1863.

Hon J. A. Sedden
Sec of War.

Sir.

I have the honor to request
that I be assigned to duty on the Staff of Genl
Wm O. Butler Commanding Brigade of Cavalry
Army of Northern Va. I am an officer of
the Regular Army was educated at the West
Point Military Academy - was a Cadet there
two years and a half next succeeding the war
and resigned on the secession of my native
state (South Carolina). I am now on
duty at Mobile Ala with temporary rank of
Capt of Artillery. Having accepted the
Army as my profession I am anxious to gain
that knowledge and experience which can only
be obtained in the field. I am also urged by
this application from the conviction that I can
better serve the cause in the field than in my
present position.

Sir: I take the liberty
of enclosing to you
a letter from Lt. Blocker
in Castle Pinckney
of S.C. now under
Gen. Beauregard. Com-
mand at Charleston.
The facts are correctly
stated I think - I know
many of them, are -
and I know Mr.
Blocker to be a gentle
man of high honor
I believe him to
be an excellent officer
and it seems to
me that his case
is a hard one

He belongs a over of
gallant family - His
Military Education &
experience in field
seem to me to eminent
qualify him for a higher
position than he now
holds.

I respectfully ask
your consideration
of his case.

Very Respy

Co. 1st Infantry
(Wilmington N.C. Jan 20/08)

Dear Sir.

Having as yet no representation from
you. I can appeal to the merits of attaching
myself to that of S. L. & Co. I was then furnished
by Gen. Webb and Gen. W. H. Webb with my own
endorsements in promotion - I submitted them to
Gen. Beauregard who greatly effected them and
recommended that I be given the promotion -
They were forwarded from his office to the War
Department on the 8th of Dec. and I suppose
in your files as I have heard nothing
from them - I was informed in the 1st of Jan. by
officer of Maj. Cooper that with Gen. Beauregard
was recommending I should be given promotion
in a rank. Will you permit me to state you
of a thing that you will attend to this for me,
and if possible have me Commissioned Captain
in the Provisional Service and assigned to ordnance
duty. I can continue to live.

My dear sister, I have been as
follows: I had a very good
in service. I was a Cadet
at the commencement of the war. In the service
of the State. I resigned my Cadetship and entered
the State service. I was engaged in the campaign
of Fort Sumpter; at a mortar battery east of Fort
Moultrie, Commanded by Capt (now Col) Butler.
In April 1861 I received the appointment of 2nd
Lieutenant in the Confederate Army - in order to see
active service (I resigned from the State service and
was then ordered to the Command of Gen Wise in
Western Va - which Campaign was a failure. I
leaving neither comfort or distinction or promotion.
I was then Adj of the 3rd Va Reg - was promoted
Captain at Honore Island - and after my
exchange was again ordered to the same Command.
I then assisted in the reorganization of the Regt.
and instead of the 1st, being allowed to reorganize
all its Companies (excepting three) were trans-
ferred to Western Va; and the remaining three Com-
panies were amalgamated with four Companies
of the 28th Va (City) Battalion - and then ordered

to the 1st Division of the Army. I had the
honour of collecting all of our Candidates
I was a Candidate for Major and was elected
(as I believe in the 1st Regt. Officer will show) by the
votes of the officers & the electors. I understand
has since been confirmed. Had I then adhered to
the 1st Regt. of the 1st Div. - Had I remained in the
S. C. I would now have been the second
Captain in the Regt; but this I cannot regret
caused by me. I was then very young.
In addition to my education, I have seen very
much hard service in the field, which has
not been seen since. I am now 1st Lieutenant
in a Company, Commanded by an Officer of
junior in the Confederate Army and was also
my junior in the S. C. Army. I cannot feel the
impulse. We are allowed to raise and command
I would not mind the appeal and depend upon
my own individual exertions. I have been to
obtain that privilege. I am now and now
the power to grant it. Hoping that you will excuse me
for troubling you. I am, Sir, Very Respectfully,
Yours,
John R. Blosser.

General G. T. Beauregard.

Command: District of D. C. & Pa.

General.

I am informed that Lieut.
John R. Blocker, U. S. A., intends applying
to you for a recommendation for promotion.

In justice to Lieut. Blocker's merits and
to his right to a recognition of his services, I
will leave respectfully to state, as the result of
my association with him in Brig. Gen. Miles's
command, the conviction that his demands will
not exceed his merits. He was ordered to Gen.
Miles's Brigade in Western Virginia, in the Au-
tumn of '61, and assigned to duty as Adj-
utant of the 59th Va. Regt. I was, during the
campaign in Western Va. Genl. Miles's Asst.

Adj. General. Since the first of this month, he
has been with me, as my Adjutant. His
present assignment to the Department of
South Carolina is made at his own instance.
Though it was done with my approval, my
approbation was reluctantly given.

I am decidedly in the opinion, and

my opportunities for judging, I think, entitle me to express an opinion, - that he possesses energy and faithfulness in the discharge of his duties; strict integrity, decision and manliness of character; The advantage of nearly three years' instruction in The U. S. Military Academy, where he was a Cadet at the commencement of the war and eighteen months' practical experience in actual service.

I am assured that I have the concurrence of all who have been associated with Lieut. Blocker, in expressing the earnest hope that he will be promoted as his services and capacity entitle him to demand.

I am, General,

Very respectfully,

Your obedient servant.

I beg leave to add to Col. Tabb's
testimonial in behalf of Lt. Blocker, that
the latter has passed through my com-

confidently on Col. Tabb's estimate of
him as an officer. He deserves, for
constant service, which he has rendered
regularly in the 59th Va. Regt., the
promotion he seeks. I recommend him
very cordially to Genl. Beauregard's
favorable consideration.

Sir.

Allow me
to present for a first Lieutenancy in
the Confederate Army the name of
John R. Blocker I might per-
haps to say for a Captaincy. He was
a West Pointer at Large of two
years standing for the S. C.
when our State seceded. Upon
which event he resigned, and is
now a Lieut. in the service of this
State.

He was appointed to West point
at Large, because he was the brother
of Sergeant Wm. Butler Blocker
who was killed at the Battle of Rich-
mond at the head of Capt. Preston's
Co. The 1st Co. of all the officers
being sick or wounded. He was
the cousin of Wm. Butler who was
killed at Chancellorsville the cousin of
John R. Blocker and brother of Wm.

friend Noris, who fell at Chancellorsville.

He will make a gallant
soldier & I hope a brave one.
that he may not be forgotten in

I have the honor to report,
for the information of the Major Genl. Commanding, that the following depots
have been established on the Stage Roads, from Villalta, Bluff, to Vernille:

Vernille. for Supplies-

Depot # 1. 18 miles east of Villalta Bluff, near "Gabe Andrews" in a place called

the Big Woods, on a small creek, the building had to be erected-

Depot # 2. 20 miles east of depot # 1. at "Glendinning's Ferry" on the "Calcasieu

River, building, near test-

Depot # 3. 20 miles east of depot # 2, on the "Saguenay River", the building

now being erected-

Depot # 4. 20 miles east of depot # 3, on the "Mormon River" - This depot,

I have taken the liberty of establishing- the Mormon, being a large
stream, & the facilities for crossing, bad, till late at least 2 days
for a large command to cross. The distance from Villalta, Bluff,
to depot # 4, is about 77 to 80 miles - the supply of water at these
depots, is ample for all purposes.

Capt. J. J. Post, U. S. A.,

Villalta Bluff. has probably in this, sent a train out with Commis-
sionary Supplies for depots # 1 & 2. Comm is being sent forward
from this Post, and I trust, that ample Supplies of both Commissary
Stores & Comm. will reach the several depots, in time for our troops -

for a large command to cross. The distance from Willets Bluff
 to depot #11. is about 77 to 80 miles. The supply of water at these
 depots is ample for all purposes.
 Capt J. A. Post, Jr. M. A.
 Willets Bluff. Has probably no train out with some
 heavy supplies for depots #1 & 2. As soon as being sent forward
 from this Post, and I trust, that ample supplies of both communities
 will reach the several depots, in time for our troops —

I have deemed it advisable to order two days supplies (instead of one)
 for each of the depots and five days supplies at Willets Bluff, in
 pursuance of orders from the Major Genl. Commanding.

Permit me respectfully to call your attention to the ambiguity of special order No 389 & the construction that may be placed upon it. As I understood the contract with Major Russell & Mr. Lavenburg - Mr. Lavenburg was to transport (2000) Two thousand bales of Cotton for use of Major Russell in behalf of the Govt. As the order now reads it gives clearly the privilege to Mr. Lavenburg to transport & export two thousand (2000) bales of Cotton for his own use and from his antecedents I should judge he will be the man to avail himself of the interpretation to transport (2000) Two thousand bales for himself, in addition to the number required by Major Russell.

Yours with respect

Richmond

Dear General

Enclosed I take the liberty
of sending you a copy from the 4th & 5th
books of reports of Major Genl Magruder's di-
vision in reference to myself; you will
perceive General he speaks almost too
flatteringly of my efforts in the organiza-
tion of the Quarter Master's department
on the Peninsula; and the discharge of my
duties as Chief Quarter Master.

Your honors were a wit-
ness to a great extent of my labors & will
to a portion (if not in full) endorse the tes-
timonial awarded me by General
Magruder.

My object in addressing
you is to ask at your hands, that which, with

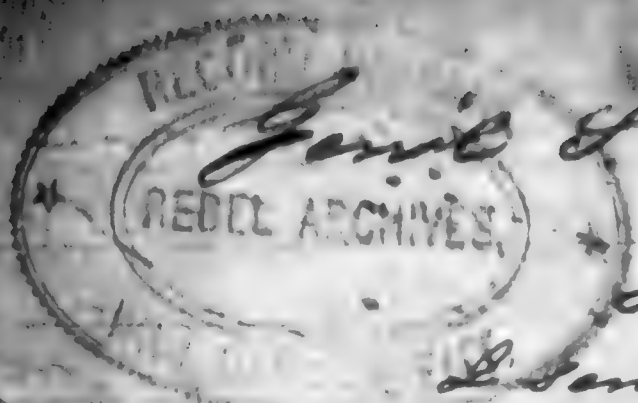

all modesty, I really think, I deserve
promotion & I feel assured I could
not address ~~myself~~ my request to any
one more qualified to do me justice
than yourself

Yours Truly

Sir

I sent in a report on the 3^d of May 1862 of the operations of the Army of the Peninsula for some time past under my command

My chief Quartermaster Master Major B. Bloomfield, being ~~sent~~ absent sick at that time I omitted to mention him in this report

I beg that you will fill the enclosed with the report as a part of it

I have the honor to be

Very Respectfully

Your Obedt Servt

Enclosed Report

I cannot express too strongly my estimate of the services rendered by my chief Quater Master Major Bloomfield

Soon after he took charge he introduced order ~~for~~ promptness and economy in the management of his Department. the scarcity of supplies

and materials, was so great as
to make it impossible to expect
them, the Garrison, Emory and
extraordinary industry of Major
Bloomfield, however, overcame
all obstacles and enabled the
Army of the Peninsula to move
to march and to fight with the
regularity of a machine.

This statement is
made in justice to Major B
Bloomfield who is absent on
account of sickness at the time
that I write.

Sir,

I have the honor
respectfully to request the promotion of Capt.
John G. Blount U. S. M. to Major U. S. M. in
the provisional Army U. S. - Capt. Blount is now
acting Chief Q. M. of my command which
consists of all the Forts and Batteries at the mouth
of the Cape Pear river, and garrisons amounting
to an aggregate of 4317 ^{private laborers}. The labours of Q. M.
of the Command are onerous and of great responsi-
bility. - Capt. Blount is a native of North Carolina
and was before the war, a merchant in his native
town, Washington. He enlisted as a private at the
commencement of the war, was soon thereafter pro-
moted to Lieutenant and was acting Q. M. U. S.
in the District until March 19th 1863 when he received
an appointment as Assistant Q. M. at the fort.
He is a good officer and as my Acting Chief Q. M. during
the last two months, has given entire satisfaction.

The wording of this endorsement leads me to suppose
that the nomination was not confirmed by the
Senate, not on account of any charge found against
Capt. Belmont, but on account of some course of
conduct generally adopted by the Senate with
respect to nominations in the G. M. Department.
It seems to imply that the promotion of
Capt. Belmont can only properly be recommended
if I have the honor very respectfully to
submit the recommendation, and accompany
it with a copy of my former letter of recom-
mendation. Capt. Belmont is a most energetic
and deserving officer, & his efficiency
in the discharge of his duties, I can fully
attest. I do not doubt but that the G. M.
Department will find him a valuable report
in the transaction of his duties.

[Faint handwriting, possibly 'Camp']

The image displays a complex, abstract pattern of dark, irregular marks and lines against a light, textured background. The marks are scattered across the entire frame, with a higher concentration in the lower half. Some marks appear as short, straight strokes, while others are more elongated and curved, resembling cursive or stylized handwriting. The overall effect is one of a heavily textured surface, possibly a piece of paper with a rough finish, or a document that has been severely degraded or corrupted during scanning. The pattern is dense and chaotic, with no discernible text or recognizable shapes.

A. A. G.

I have the honor to submit
the following reasons for the informality
of my reporting papers. Some time in January
I addressed a letter to Maj. G. L. Garrison
inquiring if it would be agreeable to Genl.
Bragg then at Tupelo Miss for me to report to
him. The Genl. expressed his willing consent to
Maj. Garrison provided I obtained the consent
of Genl. Venable then commanding the Depar-
tment to which I was attached.

The misfortune of falling into the hands of
the enemy and subsequent sickness
prevented my obtaining the consent of the
Department at an earlier date.

Hoping that my explanation will give
satisfaction I am

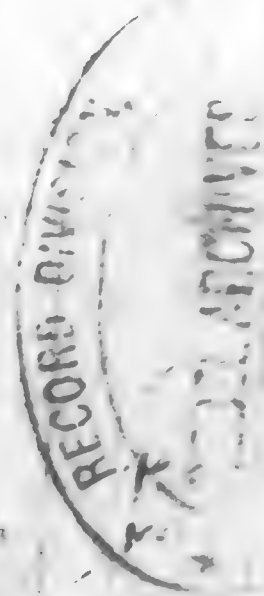

Very Respectfully

Sir, Major,

Mon. S. R. Mallory, Sec. of Navy

Richmond Va

Sir:-

The undersigned friends of the Mon. Wm D. Bloxham take the liberty of requesting your favorable interposition to promote his appointment as Captain of Commissary in the Regiment or Reserved Corps now in process of organization in the State under Confederate authority. Mr Bloxham is a gentleman who has the confidence of our whole community, as his unanimous election to represent us in the General Assembly will show; he is thoroughly qualified for the position for which he is an applicant and has been an advocate of our cause when it required courage and devotion to be so. Any assistance which you would render in his behalf would be very acceptable to our citizens generally and considered by ourselves a personal favor.

Hon. S. R. Mallory,

Richmond, Va.,

Dear Sir;

It is General Traupier's intention to place a regiment, now being raised, in the vicinity of Tallahassee. I write this, to make application to you for the position of Commissary to said Regiment. If recommendations from the best of sources can accomplish anything, they can be forth coming. I now have letters from many of our leading and influential citizens addressed to you upon the subject. If you will do me the honor to give my application your support and attention I will forward them immediately. Any kind of endorsement you may desire or think proper to whether addressed to yourself or to other departments of government will be furnished. There is not a leading man in this section of the State whose endorsement I cannot procure with probably one exception. That is the Colonel of our Virginia Regiment. Always opposed politically, I fear some of the old party wounds has not been healed upon his part and consequently self respect could not allow me to apply for his recommendation. Any others I can furnish. Please do me the favor to answer this and state if you desire the position.
